

PROJECT SCHEDULE

2021-2026 SEASONS

VEHICLE EQUIPMENT OPERATIONS CENTER (VEOC)

VEOC will replace the existing Vehicle Maintenance Facility. The new facility will be brightly lit and include parts storage, conference rooms, and office space. The VEOC also will increase amount of equipment stalls and wash bays allowing for more equipment to be maintained than at the previous facility.

VEOC

READY FOR OCCUPANCY

Lodging - March 25, 2025
VEOC - November 20, 2025

LODGING

NEW LODGING FACILITY

The new AIMS Lodging facility will have 285 beds, comprising 42 double rooms and 201 single rooms. Each floor will include central lavatory facilities and common areas for socializing, and each room will have telecommunications and a television.

OUT WITH THE OLD

AIMS will build a new lodging facility with state of the art materials. First the existing 203A/B/C facility will be demolished. This will be completed in FY23 Austral summer season. The location is very close to remaining buildings so extra care will be employed while performing this task.
